	Number of other elective credits (including interdepartmental credit or microcredit courses)	15								
Required Credits for Graduation		128								

To earn the B.Sc. IBA degree, students must complete:

1. IBA Elective courses for a total of **35** credits. Students can choose Academic courses, Practical courses or Other Elective courses to fulfill the requirement of Departmental Elective credits ("Other Electives" can also be chosen from other departments of International College. However, students should not take more than **15** elective credits from other departments than their own department Maximum of 3 credits from International College GE Liberal Arts Education will be approved. NOTE: Students will also be able to obtain the certificate from taking either Practical or Academic oriented courses or both if students complete up to 15 credits each course.
2. Students are required to study abroad prior to graduation, and must satisfy the minimum English proficiency level which is stipulated by the IBA department.
3. Students who wish to participate in an internship have to submit an application. The students can intern domestic or abroad after their applications are reviewed and approved by the school. Students interning domestic or abroad should understand that their enrolment is limited to 9 credits for that semester. Internships will only be considered on a case-by-case basis. Internship abroad can be counted as "International Studies".

(Please refer to the website of the Department of International Business Administration for detailed information on the four-year program schedule)
